# PROGRAM CURRICULUM

## **Techniques, Training and Practice: 100 Hours**

Topics in this category include, but are not limited to: asanas, pranayama, chakras, meditation, mantra, and other traditional yoga techniques. Hours during this topic include training on how to teach and practice these techniques with emphasis on clear and concise language, demonstration, and observation.

## **Teaching Methodology: 25 Hours**

Topics in the category include, but are not limited to: communication skills, time management, establishment of priorities and boundaries, addressing diverse populations, adjustments, demonstration, observation, assisting and correcting. We will also cover different teaching styles, qualities of a teacher and the learning process of students. The business of yoga will also be covered in this category.

## **Anatomy and Physiology: 20 Hours**

Students will learn anatomy and physiology of the human body. Yogic energy anatomy and physiology (chakras) will also be included in this section. The anatomy and physiology learnings of the human body and subtle body will be applied to knowledge of yoga asana and practice (benefits, contraindications, healthy movement patterns, etc).

## **Yoga Philosophy, Lifestyle and Ethics for Yoga Teachers: 30 Hours**

In this section of the training, students will study yoga philosophies, yoga lifestyle, and ethics for yoga teachers. Students will explore the Yoga Sutras of Patanjali through readings and group discussions, and how they can be applied to everyday life. Students will be encouraged to explore their own connection to these teachings and how they can relate these findings to their own personal practice and teachings.

## **Practicum: 25 Hours**

Our practicum component is designed to provide a comprehensive experiential learning opportunity for aspiring yoga instructors. This segment encompasses a multifaceted approach, including:

Practice Teaching: Engage in the practical application of teaching methodologies.

Feedback Sessions: Participate in constructive feedback sessions, both as a recipient and provider.

Observation: Observe seasoned instructors in action to gain insights into effective teaching techniques.

This practical experience extends to a commitment of 15 hours, during which participants are required to attend and actively contribute to 15 classes. To encapsulate the depth of understanding gained, each class attended necessitates the submission of a one-page paper.

This document serves as a comprehensive review, delving into Teaching Methodology, sequencing anatomy, technique, philosophical aspects, and feedback analysis.

By integrating theory with real-world application, our practicum component ensures a robust foundation for individuals seeking to embark on their journey as proficient and knowledgeable yoga instructors.

# POLICIES

## **ATTENDANCE**

During this 200-hour training program you can miss 2 classes without your certification being affected. If you miss more than 2 classes, you may not be considered for certification.

You are allotted 2 missed classes for the duration of the training course. If a student does not pass the training due to a lack of attendance, in accordance with the attendance policy, then they may retake the YTT in a different session, within the year at the cost of 60% of the original tuition paid. This is at the discretion of the School's Owner and based upon availability.

If you miss 3-4 days: You may still complete the program with your class if you schedule a private session (or group session) with the Instructor at some point during the program and re-watch the lecture. A two-hour private session equates to one day of training. The cost of a private session is \$75 per hour. Please contact the instructor to schedule the make-up session. The maximum number of private make-up sessions is three.

If you miss more than 4 days: You will need to retake the program, at a discounted cost of 60% of the original tuition. This is subject to space availability.

*Note: The student is deemed absent if they are more than 15 minutes late with no notice and/or miss 20% of the day. Any time that is missed will need to be made up.*

# ATTENDANCE CONT.

**ATTENDANCE:** 100% attendance is required for graduation.

By signing up for this program you are making a commitment to yourself, your trainers, and your colleagues. If a student must miss part of training, the student must set up time with the School Official to discuss a course of action. Things do happen and prior commitments may have already been made. If you miss more than two classes you will need to make up missed classes. Please refer to attendance policies.

If a student has an emergency that requires them to miss class, they must contact the school official to determine makeup procedures including re-watching the lecture and completing a written assignment (if outside of the 2 days).

Attendance is taken at the start of every class and will be kept on file.

## **TARDINESS:**

Students are expected to be online or in-person at the start of class. If you are more than 15 minutes late please notify your teacher for the day and determine a way to make up the missed time. If you have not provided notification you will be marked as tardy. One hour will need to be made up for each tardy mark in the attendance tracker.

## **LEAVE OF ABSENCE:**

If a student must end the program early or take a leave of absence beyond the student's control, the refund policy will apply. All attempts will be made to assist the student in completing their training through a future date, or at the make up rate of \$75/hour.
